Circuit City Stores, Inc, et al Case # 08-35653 (KRH) claim # 376
United States Bankruptcy Court Eastern District of Virginia Richmond Div.

Clerk of the Bankruptcy Court, United States Bankruptcy Court

Management and Board of Directors of Circuit City Stores Inc

Reasons for Objection.

I am filing this objection to the disbursement of money to be paid to shareholders of Circuit City Stores Inc which has gone out of business. The company has recently sold its Canadian stores to Bell Canada for 147 million dollars which I feel should be used to distribute money to the shareholders that have submitted a claim. It is my opinion that the Management and Board of Directors did not act in the best interests of its shareholders. There were business reports that indicated there were buyers interested in purchasing the company but it is my opinion the management and board decided that bankruptcy was the best option, instead of a low offer for the company. I also believe and it is my opinion why we as shareholders are entitled to share in the assets of the company because management and the board of directors mismanaged the company. They took the number one retailer of electronic goods and destroyed the company. It is also my opinion some of the mistakes were, starting with closing down the appliance division which sent customers who bought on credit, were long time customers and who bought large ticket items, again on credit to Wal-Mart, Best Buy and Sears. They then wasted money reconfiguring the size and concept of the stores, smaller size which was a non working expense. They then either fired or laid off loyal staff in its restructuring, which I believed the way this was reported turned off many customers, when they found out how these employees were being treated. I also believe and it is my opinion that the remaining

staff were too few and their knowledge of the business was compromised and suffered by this overexposure. Customers were then not as informed and their options were to turn to other stores. Therefore I believe my claim should be allowed and the \$836.00 I am seeking should be awarded.

Sincerely
